Live Like Andi Foundation ■ *Angels*

Angel Mission: Raise money through personal letter writing (friends-work associates -family-neighbors), charitable fund raising events (bake sales, can drives, bucket drives), social functions (jewelry sales or parties) to fund research leading to treatment and a cure for Adenoid Cystic Carcinoma (ACC). We have all been touched in our lives by stories of inspiration and courage. We all have a unique perspective from knowing a special person who has endured so much only to proclaim “how lucky they have been in their life.” Please use your personal inspirations to help us raise money to help others who display such courage...like ACC patients and scholarship recipients. Please sign up to be their “Angel”. Visit our website for info: www.livelikeyandi.org
